Dear Friends,

"Whatever you do to one of the least of these you do to me"

Friends the Gospel this week causes us to reflect on how we live our lives and whether we focus more on ourselves inwardly or if we are able to look at the bigger picture in life, the blessings that can not be bought or sold, the gifts that are more than can be packaged, the talents that can not be measured and how we put all of these into building God's kingdom. We are living in a time and place along the journey to eternal life - we are not at our destination yet and how we prepare for our destination makes a difference. How we treat others along the way will impact how we are treated on arrival to our eternal life.

We live in a divided society, the gap between those who have and those who have not is immense and the division of wealth is far from equal. I was struck this week to see the stark figures that we live in a world where 75% of all assets are owned by 10% of the global population with the bottom 50% of the population holding just 2% of global assets. We see waste at levels never before experienced - we see displacement of families and young children from their homes due to persecution and violence, we see throw away single use plastics clogging our waterways and see's and being burned in incinerators helping to raise the temperature globally. "Whatever you do to the least, you do to me"!

This week, as we come to reflect on the way we identify the face of Jesus in the poor, the oppressed and the needy, as we come to ask ourselves the hard questions about how we treat others - we are called to ask what kingdom are we preparing for - in the Our Father we pray "thy kingdom come" and we know that God's kingdom is near but we are not living in it - in God's kingdom we will experience peace, love, and joy - the source of which is the source of our earthly happiness also - Our Lord and King, Jesus Christ.

Fundraising - This weekend Fr Barry will speak at some of the Masses about our Financial Statement for the year ended 31st March 2026. We encourage anyone in a position to complete the gift aid form to please sign it and anyone wishing to set up a Standing Order to complete the form at the back of the form - regardless of the amount - every donation makes a difference. We are living in tough financial times, however we once again appeal to the business community to support our on-going fundraising programme for the development of services and buildings in the parish - this year we have once again invested huge sums of money in improvements in our Church buildings and developing outreach programmes - all of these projects are thanks to your support.

With every blessing,

Fr Barry Matthews Adm.

Feast of Christ the King:

Sunday 22nd November – Holy Trinity Church – Adoration after 12 noon mass until 6.00pm. Closing with Benediction.

In the book of Mark – Jesus asks Peter. "Could you not watch with me one hour?" Mark 14:32-42. Come spend a little time in silence. Sometimes it doesn't always feel like it's the holiest of hours, but it always bears fruit. Sometimes your prayer is deep and intimate, sometimes scattered and distracted. Sometimes it is just silent, simply "being" with Jesus.

Christmas Appeal:

As we do each year, we invite you to support worthy causes this Christmas.

Families in Gaza have faced displacement and severe shortages of food, clean water and medical care. Your generosity offers compassion and support to those in need this Christmas and donations of any amount are warmly welcomed. If you would like to donate, please place your donation in the collection baskets at Masses

Many thanks for your continued support to the Immaculate Conception SVP conference. The monthly collections were:

August – £1673.00.

Rock/Slatequarry Mass Rotation:

Sacred Heart Church, Rock- 29th November

Due to many requests, the Rock/Slatequarry Mass rotation will change ONLY for a requested Month's Mind mass at a specific church, therefore First Anniversaries masses will only take place in the church where mass is to be celebrated that Sunday.

Holy Trinity Church Car Park:

Recent incidents have highlighted that some vehicles are being left outside the clearly marked parking spaces, blocking access and exit routes. This is unacceptable and creates a serious safety risk by preventing emergency vehicles from entering the car park. In an emergency, any delay could put lives at risk. Park only in the designated spaces and be mindful of the safety of others.

Adoration of the Blessed Sacrament every Monday and Wednesday from 11.00am – 5.00pm.

Thought of the Week:

The wise person evaluates your dignity – the ignorant evaluates your appearance.

A Little Humour:

The biggest lie I tell myself is, "I don't need to write that down, I will remember it!"

your loved one to be printed in the bulletin and prayed for at mass, please ensure the anniversary is in writing as we no longer accept telephone calls. Please ensure the anniversary is presented to the office by **Thursday prior to the date.** If the anniversary occurs at the weekend, please put the mass time on the request. Thank you.

CELEBRATING THE FEAST OF CHRIST THE KING OF THE UNIVERSE

ONE SOLITARY LIFE

He was born in an obscure village,
The child of a peasant woman.
He grew up in still another village,
Where he worked in a carpenter shop
Until he was thirty.
Then for three years
He was an itinerant preacher.
He never wrote a book.
He never held an office.
He never had a family or owned a house.
He didn't go to college.
He never visited a big city.
He never travelled two hundred miles
From the place where he was born.
He did none of the things
One usually associates with greatness.
He had no credentials but himself.
He was only thirty-three
When the tide of public opinion turned against him.
His friends ran away.
He was turned over to his enemies.
And went through the mockery of a trial.
He was nailed to a cross
Between two thieves.
While he was dying,
His executioners gambled for his clothing,
The only property he had on Earth.
When he was dead,
He was laid in a borrowed grave
Through the pity of a friend.
Twenty centuries have come and gone,
And today he is the central figure
Of the human race,
And the leader of mankind's progress.
All the armies that ever marched,
All the navies that ever sailed,
All the parliament that ever sat,
All the kings that ever reigned,
Put together have not affected
The life of man on Earth
As much as that
One Solitary Life.
(By Dr James Allen Francis)
