Reflection: Christ the King – King of the Universe

As we celebrate the Feast of Christ the King, we are reminded that the kingship of Jesus is very different from the kingship of this world. Jesus is not a king who seeks power, wealth or status. He is a king who serves, loves and gives his life for others.

In today's Gospel, Jesus reminds us that whatever we do for the least of our brothers and sisters, we do for Him. When we feed the hungry, welcome the stranger, visit the sick, comfort the lonely or care for those in need, we are welcoming Christ Himself into our lives.

This feast challenges us to ask ourselves: Can we recognise Jesus in the people we meet each day, especially those who are struggling, forgotten or in need of kindness?

As we bring the Church's liturgical year to a close, may Christ truly reign in our hearts, our homes and our community. May we not only call Him King with our words, but show that He is King through our actions, by living lives of compassion, generosity, love and prayer.

Christ our King, may your kingdom of love, mercy and peace grow in our hearts and in our world. Amen.

For the **final Wednesday of Exposition of the Blessed Sacrament in St Mary's Chapel, Threemilehouse from 7.30pm-8.30pm**, St. Mary's Planning Group extend a very special **invitation to all of the children of our parish** to spend quiet and prayerful time with Jesus. An hour may be too long for children to sit in silent prayer so we suggest that children can enter the church very quietly from **8pm-8.30pm** and sit with their families. Encourage the children to talk silently to Jesus in the monstrance and thank Jesus for their blessings and ask him for his help during their lives. Children can bring their rosary beads and join in with the rosary from 8.15-8.30pm.

Our Lord Jesus Christ, King of the Universe

Christ the King. *At the end of our earthly life we will be judged on how we have lived and acted. At the end of time the Kingdom of God will be established through the saving work of Christ. Then the Shepherd King will come to judge how we have loved. Our lives are to be characterised by a love that welcomes Christ in those most in need, and by joyful expectation of his glorious coming.*

Prayer for the Holy Souls in Purgatory

Father of all consolation,
in your unending love and mercy for us,
You turn the darkness of death into
the dawn of new life.

Through Your son , Jesus Christ,
We ask you to deliver the souls in purgatory,
Especially those for whom we now pray…..

Welcome them into Your presence and
bless them with eternal light and peace.
Raise them up to live forever with all Your saints
in the glory of the resurrection. Amen.

A Word on Silence… Silence is one of the most essential elements of the Mass. Both our own interior silence and the shared external silence in the church building during and between the readings, helps us to really listen to God speaking to us and to begin to hear what God is saying to us. Silence creates a space for God.

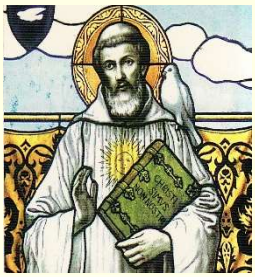
A Blessing – by St Columbanus

Feast 23rd November



Lord, may everything we do this day
begin with Your blessing
and continue with Your help.
May everything we say this day
begin with Your love
and continue with Your grace.
May everything we plan this day
begin with Your inspiration
and continue with Your peace.
So that throughout our lives all that we begin in You may by You be happily ended, and all that we seek through You may be lovingly attended. Amen. Daily-prayers.org

Points to Ponder

What is the Kingdom of God? What is the Kingdom of Christ the King?
The Kingdom of God is a space. It exists in every home where parents and children love each other. It exists in every region and country that cares for its weak and vulnerable. It exists in every parish that reaches out to the needy.
The Kingdom of God is a time. It happens whenever someone feeds a hungry person, or shelters a homeless person, or shows care to a neglected person. It happens whenever we overturn an unjust law, or correct an injustice, or avert a war. It happens whenever people join in the struggle to overcome poverty, to erase ignorance, to pass on the Faith.
The Kingdom of God is in the past (in the life and work of Jesus of Nazareth); it is in the present (in the work of the Church and in the efforts of many others to create a world of goodness and justice); it is in the future (reaching its completion in the age to come).
The Kingdom of God is a condition. Its symptoms are love, justice, and peace. Jesus Christ is king! We pray today that God may free all the world to rejoice in his peace, to glory in his justice, to live in his love.

CATHEDRAL HEATING UPDATE: We had hoped to begin upgrading the cathedral's heating system last month, but unfortunately the work has been delayed due to some concerns about the proposed system's long-term running costs. We sincerely apologise for the disappointment and frustration this will cause. We recognise that the upgrade is long overdue and are very conscious of the discomfort many have experienced during the colder months. The current heating arrangement is temporary and may not always provide sufficient warmth. In the meantime, we ask you to dress warmly for Mass and, where possible, sit near the temporary heaters. Given the size of the cathedral, it is important that we find a system that is not only effective but also affordable to run and sustainable for the future. We are therefore arranging visits to two large churches in England which have installed similar systems, so that we can learn from their experience, particularly regarding effectiveness and running costs. Our aim remains to provide a heating system that is efficient, environmentally friendly and sustainable for generations to come. We sincerely thank you for your patience, understanding and continued support.

Take Courage! Christ Walks With You. *World Youth Day 2026 – Feast of Christ the King*
This weekend, as we celebrate the Feast of Christ the King, the Church throughout the world also marks World Youth Day. It is a special opportunity to celebrate the faith, enthusiasm and gifts of young people, and to remind them of the important place they hold within the life and mission of the Church. In his message for this year's World Youth Day, Pope Leo XIV takes as his theme the words of Jesus: **"Take courage! I have overcome the world" (John 16:33).** These words offer a message of hope in a world where many young people face uncertainty, pressure and anxiety about the future. It can be difficult to find the courage to stand by our beliefs, to make good choices or simply to be ourselves when so many voices compete for our attention. As parish communities, we all have a part to play. May we continue to welcome, encourage and accompany our young people, recognising that they are not simply the Church of tomorrow, but an essential and valued part of the Church today. **Take courage. Christ is with us, and in Him our hope is renewed.**

Reflection: The King Who Never Overlooks Us

Most of us want our lives to amount to something. We work hard, care for our families, and try to build a secure future. These are good things. But life can become so demanding that we fail to notice what we are not noticing. People close to us may be struggling. Someone may be lonely, ill, or simply in need of a little attention. Not noticing is rarely deliberate, but it can gradually become a way of life. On the Feast of Christ the King, Jesus reminds us that what matters ultimately is how we treat one another. He identifies himself with those most easily overlooked: the hungry, the stranger, the sick and the prisoner. And he assures us that we ourselves are never overlooked by God. His kingdom begins to take shape whenever we recognise another person's worth, make room for them in our lives, and help them to flourish. The King is not far away. He is present in the person beside us.
